IMPORTANT INFORMATION

Baggage Limitations

Customers may not transport in their baggage or otherwise any items that are inherently dangerous, including any hazardous materials as that term is defined by the US Department of Transportation, or weapons of any kind. Megabus operators reserve the right to place further restrictions on items transported for the safety of its passengers, the operator and the motorcoach.

What to Expect at the Stop

At least one of the stops along your route is outdoors so be prepared for the effects of weather (rain, snow, wind, heat, cold). megabus.com does not provide parking at this location. There may be nearby locations offering parking for a fee, however megabus.com does not maintain a listing or provide information on any of these. megabus.com provides services from convenient curbside locations. This enables us to keep prices low. We ask that you do not put your bus stop at risk by loitering or waiting in neighboring premises (hotels, restaurants, bars, etc.). Please keep your bus stop clean and tidy.

Seating

Seating aboard vehicles operated in interstate or foreign commerce is without regard to race, color, creed, or national origin.

Reservation Confirmation

You must have your reservation number to board our vehicle, so please take it with you. This reservation number entitles you to a seat on the trip you selected. Reservations for trips originating or finishing in Canada are sold in conjunction with Trentway-Wagar.

Luggage Policy

You may bring 1 (one) standard sized suitcase (weighing no more than 50 pounds) per reservation and 1 carry-on piece which is capable of being stored beneath the seat in front of you. Luggage in excess of this allowance is likely to be refused. No refunds will be issued in respect of travel plans canceled due to luggage refusal. Please check the [luggage allowance](#) section of Megabus for full details and conditions relating to the carriage of luggage. All luggage should be locked and we recommend that a TSA approved locking device be used, particularly if crossing international borders. We also recommend that you label your luggage with your name, address and contact number.

Check in Time

Passengers are required to be at their departure point at least 15 minutes before their trip is scheduled to depart. This allows Megabus drivers to board passengers in a timely manner avoiding any delays that may impact on the departure of the vehicle. No refunds will be made to customers who were denied travel as a result of this requirement.
